1. Melt some of the milk chocolate and white chocolate in **separate bowls** over a pan of simmering water.
2. Pour the milk chocolate evenly over a baking sheet, lined with baking parchment. Then drizzle over the white chocolate.
3. Use a cocktail stick or skewer to swirl together.
4. Add a selection of chocolates and sweets and then pop the tray into a refrigerator until set.
5. Break into pieces to serve.

This makes a lovely gift but is also a great way to use up any uneaten Easter eggs or chocolate!
